EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, page 8, line 25, "Figure 8A." has been deleted.

In the specification, page 8, line 31, "Figure 8B." has been deleted.

In the specification, page 57, line 28, "8A." has been changed to "8".

In the specification, page 57, line 35, "8B." has been changed to "8".

These changes were made to correct an obvious error, because figure 8, as filed, did not have A and B sections.
